

Now, some may argue that my bill will eliminate competition. I disagree. My bill will increase competition by encouraging sponsors to offer the best discounts available in order to be approved as one of the three cards. In addition, my idea is not new; in fact it is consistent with the Administration's proposal to limit the PPO options in the Medicare Modernization Act MA to just three per region.

I believe my legislation will provide better discount drug cards for seniors and make it easier for them to sign up for these benefits. I urge my colleagues to support this legislation.

#### SENATE RESOLUTION 372—DESIGNATING JANUARY 1 OF EACH YEAR AS "GLOBAL FAMILY DAY"

Mr. INOUE (for himself and Mr. COLEMAN) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 372

Whereas in this perilous time of international unrest, it is vital that all means possible for the restoration of peace and the reduction of hate, terror, hunger, and disease be pursued with diligence;

Whereas the people of the world are inextricably linked as 1 human family;

Whereas the people of the world are in need of a shared tradition to acknowledge and celebrate mutual kinship;

Whereas shared holidays strongly influence the creation and maintenance of bonds among faiths and cultural and national groups, and the lack of such bonds may invite mistrust and conflict;

Whereas the United Nations General Assembly, through the passage of United Nations General Assembly Resolution 54/29 of November 18, 1999, and United Nations General Assembly Resolution 56/2 of October 30, 2001, and many foreign heads of state have recognized the importance of establishing an annual shared global tradition of 1 day of peace;

Whereas the Congress, through the unanimous adoption on December 15, 2000, of Senate Concurrent Resolution 138, 106th Congress, has encouraged the adoption of a day dedicated to all those members of the human family who are suffering and to the development of strong global family values; and

Whereas on this 1 day of peace and sharing, now commonly called "Global Family Day", people around the world are called to recognize and celebrate its mission by gathering with their family, friends, neighbors, faith communities, and with people of another culture, to share food, traditions, and mutual pledges of nonviolence: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates January 1 of each year as "Global Family Day"; and

(2) requests that the President issue a proclamation calling upon the people of the United States to observe this day of peace and sharing with appropriate ceremonies and activities.

Mr. INOUE. Mr. President, I am pleased to submit a resolution to designate January first of each year as Global Family Day.

More than 30 years ago, a small group of inner-city children conceived

of a holiday devoted to peace and understanding amongst the global community. They envisioned a day to celebrate life and extend hands in friendship, rather than in violence, in an effort to overcome world events that have produced fear, hate, and grief.

In the years leading up to the turn of the new millennium, this small group of children and their mothers petitioned Congress and the United Nations for the establishment of a one-day peaceful celebration. As a result of their efforts, "One Day of Peace January 1, 2000" was officially designated by the United Nations General Assembly and supported by more than 1,000 organizations, more than 100 governments, and 25 U.S. Governors. "One Day of Peace January 1, 2000" was a 24-hour period during which the people of the world united for a virtually violence-free day devoted to positive interactions amongst different races and cultures.

The U.S. Congress unanimously approved a resolution recognizing "One Day of Peace January 1, 2000."

The resolution I am submitting today will give our nation's citizens an opportunity to renew the teachings of "One Day of Peace January 1, 2000" by designating January first of each year as Global Family Day. Congressional recognition of Global Family Day will provide an opportunity for Americans to discuss and educate themselves on how to end inter-cultural fear, mistrust and alienation.

I invite my colleagues to join me in support of Global Family Day and the designation of January first of every year as a day to appreciate and learn about other cultures and communities, in an effort to bring people all over the world closer together.
